Youth of the Year

Members of the Exchange Club of Killeen recognized our 2008 Youth of the Year at the April 28th club meeting. Committee members Jerry Dugger, Paul Hansen, Larry Holly, and Andrea Womack were given essays written by nine students of the quarter. The names were blacked out so no one knew who wrote which essay. Each committee member

was asked to grade the essays on a scale

from 1 to 300. Students were also given points for community service, grades, and other activities. The two highest point getters were Loren Carranza from Ellison and Marcus Mathews from Killeen. Larry Holly presented Ms. Carranza with her certificate of recognition and a leather covered Exchange dictionary.

Maureen Jouett presented Mr. Mathews with his certificate of recognition and a leather covered dictionary. Each student of the year was awarded a \$1000

scholarship. The scholarship funds will be disbursed when the club receives a letter from the student's school indicating that they are registered and (See YOY Page 2)

ACCEPTING THE CHALLENGE OF EXCELLENCE

This year's ACE award winners were truly awesome individuals.

Sam Williams

was presented his certificate of recognition and leather covered dictionary by Jerry Dugger. Sam Williams lost his parents at the age of eleven. He moved to Harker Heights to live with his brother, but resources are

limited so Sam has held a full time job while attending Harker Heights High

School. Throughout it all he has kept his head straight and managed to keep his grades up.

Continuing Education ACE AWARD

Purpose

The A.C.E. (Accepting the Challenge of Excellence) Award recognizes high school students who have had to overcome great physical, emotional, or social obstacles and are now eligible for high school graduation.

This is a positive program with two key objectives.

First, it helps encourage students to overcome their hardships and get back on track toward a high school diploma. Second, the award recognizes those students who are often overlooked for their accomplishments.

This special recognition serves as a powerful example to all students that hard work and perseverance really do pay.

Competition

The type of award and method of recognition is solely up to the club, as is the number of awards given

Chanel Mackey was selected as another ACE award winner. While both of her parents were serving overseas she was responsible for taking care of her younger siblings (including a newborn baby) while attending Shoemaker High School. Her grandmother was there, but unable to offer much assistance since she was recovering from a recent stroke. (See ACE, Pg 2) Students receiving the ACE award were given \$1000 scholarships. The scholarships will be paid to the college of their choice when we received notification from the school registrar that they are taking classes. Both of these students were submitted to the Exchange Texas-Louisiana District for consideration in the District Accepting the Challenge of Excellence Competition.

One of the best ways to help an abused child is through a financial donation. No matter how small or large your contribution is, your generosity can save a child's life and teach parents how to be more loving and responsible to their children.
