Club Meets Every Monday at Noon at the Yank Sing Restaurant, CTE, Killeen

Editor Maureen Jean Jouett

TEXAS-LOUISIANA DISTRICT

Club President Elect Maureen Jouett and club member Richard Jouett attended the June Texas Louisiana District conference in Dallas, Texas. The club received recognition for its outstanding recruitment of a plus twelve members as well as outstanding accomplishments in Americanism and Community Service. The club also received recognition for its Youth and Child Abuse Prevention Programs as well as its website and scrapbook. Many thanks to Americanism director Davis Garvin, Youth Director Maureen Jouett, Community Service Director Kathy Clark Jones, Child Abuse Prevention Co-Chairs Teresa and Dick Young, webmaster Abdul Subhani and Scrapbook coordinator Veronica Garvin. We thank them and their committees for a really great year. Additionally, we thank John Odom for an outstanding job as membership chair. Under John's leadership we recruited 20 members and despite losing 8 members we ended up the year with a plus 12 members. Membership is important because it helps to bring about the mission of the club. We were successful this year because of the leadership of our President Ray Davis, who started us out right with a strong program development meeting at the first part of the year. We promised our members to help build membership and develop a stronger communication program. Everyone agrees that we succeeded in these activities and that our success this year is based on the goals established at the beginning. Special thanks to Linda Garvin for providing (See Texas Louisiana Pg 2)

DISTRICT ACE AWARD HONOREE SAM WILLIAMS OF HARKER HEIGHTS

It was a pleasure to be at the district conference and see our male ACE award winner go on to win the district competition. Sam Williams was, as always, very articulate when giving his acceptance speech. He really made us look good. His first response was to thank God for the favor He has shown. He then thanked his church counselor and her brother for accompanying him to Dallas. Then thanked the members of the Exchange Club of Killeen for choosing him initially to receive our ACE award and for submitting his name in for the District and National competition.

When Sam was eleven, he was orphaned. His brother took him in, but needed Sam to help support them. Sam learned at an early age the importance of taking responsibility for your own life and helping financially in a (See Sam Williams, Pg. 2)

 great programs that kept everyone engaged. We are trying a new tactic this coming year for programs and ask everyone to submit their suggestions for programs to the incoming President Maureen Jouett. We have to do our program development meeting by July 15th due to changes in the National Exchange Club calendar.

Biblical Exchange

Do ye look on things after the outward appearance? If any man trust to himself that he is Christ's, let him of himself think this again, that, as he is Christ's, even so are we Christ's.

family. His brother and he moved to Harker Heights a couple of years ago. Sam found that he really enjoyed school there and was able to work and still keep up with his studies. Sam has been accepted into Mary Hardin Baylor in Belton and will begin his studies in theology this fall. Sam plans to become a minister and continue to spread God's Word to the world.

It is wonderful that the Exchange Club of Killeen is able to positively impact the lives of so many young people. We should be proud of what we are doing to help society and bring about change in the lives of people who really deserve it. I am happy to be a part of Exchange.

ing to be a great one as the new board is a strong one and looking forward to getting started.

The group will hold its planning meeting on July 14th and make final adjustments to the 2008-2009 club year budget when the final bingo earnings are reported in July.

We are still expecting Paul Hansen to come back after his short sabbatical. He should be rejoining the club the end of July and will assure his position as Youth director.
