## TEXAS HOME HEALTH

## IDENTITY THEFT

## Golden Deeds Honoree Selected

Club member Sherry Parker Chapman spoke to the club members about Texas Home Health, the oldest home health organization in our area and the largest home health organization in Texas.

Texas Home Health has the highest quality and the most cost-effective care. It has been in business for more than thirty years and is committed to listening and adapting to the needs of their clients.

Many of their services are covered by employer groups health plans, various government-funded programs (federal, state, county), private insurance plans, workers compensation and Medicare.

Texas Home Health provides skilled nursing, personal care, specialty nursing, therapeutic services, social work services, case management and medical equipment. They cover many areas of disease management and have many experts in their organization.

Their professionals do everything possible to assure the maximum comfort for each individual and provide excellence in Home Care fueled by dedication. They communicate a positive and helpful attitude.

All one has to do is to know Sherry to know that all of these claims are true. She is a new club member and is already more than willing to assist where needed.

.Shannon Worley is a DOD contractor working on Fort Hood. She has made it her personal crusade to help inform the public about the dangers of identify theft. She was a victim of identity theft and still has problems come up from time to time.

One thing she realized when this first happened to her was that most of the companies out there do not offer comprehensive identify theft coverage. They will notify your creditors that the problem has occurred, but most do not handle all the problems associated with proving that you are not responsible for debts incurred in your name by someone else. Shannon recommends everyone take time to investigate a good company that will take care of you.

Shannon also passed out free information that she had acquired from the State of Texas. She made a few recommendations such as shredding mail, having only initials on your checks, and not leaving mail in the outside mail box.

Plans are on-going for this year's annual Golden Deeds Banquet. The banquet is set to be held on Saturday, March 3rd at 7 pm in the Killeen Civic and Conference Center. Due to the limited space and the caliber of this year's honoree, club members were asked to take only tickets that they have sold. Only 150 tickets are being printed and because of the limitations caused by the room size, there is no room for error.

President Ray Davis and his committee members have been hard at work to make sure this year's event is a success. Let Us Do The Cooking is the caterer that has been chosen. Several committee members have had personal experience with this caterer so the committee decided to contract with them for the banquet. The meal has been chosen and the ticket prices will remain \$25.00 each. Past Golden Deeds Recipients will receive two free tickets.

Special thanks to club member Mike Sibberson, the principal of Killeen High School. Mike has asked his school's choir to prepare a special vocal presentation for the club members. We are all looking forward to their involvement. Paul Liu will provide gift certificates to his pizza restaurant in the mall for the kids.

### Dates To Remember.....

*Mar 3—Annual Golden Deeds Banquet*

*Mar 26th—Election of Officers*

*April 16—Rush Function—Birthday Party—Pignetti's Wine and Cheese*

*June 22-24: District Convention—Richardson*

# National Community Service Month

 12<sup>TH</sup> CHILDREN'S ADVOCACY CENTER OF BELL COUNTY  
 19<sup>TH</sup> USO PRESENTATION  
 26<sup>TH</sup> NOMINATING COMMITTEE REPORT ON ELECTION OF 2007-2008 CLUB OFFICERS, BUSINESS MEETING

### The Court of Honor Recognizes Outstanding Exchangites

The Court of Honor, formed by the three wings of the National Headquarters building, was established in 1957 to help pay tribute to the great men and women of Exchange. The majestic statue, "Birth of the Atomic Age," created by the renowned sculptor Marshall Fredericks, stands in a reflecting pool with fountains. Several large granite pylons at the rear of the Court display the inscribed names of inductees. The Court of Honor lay dormant for many years until being re-established and renovated in 1997.

#### A lasting tribute

The highest and most lasting recognition an Exchangite can receive is to be

forever honored by induction into the Court of Honor. Induction is by nomination and review only. Those nominees who meet the selection criteria and are supported by an induction contribution to the National Exchange Club Foundation will be invited to a future induction ceremony where their permanently inscribed names will be unveiled. The nomination deadline is June 1st.

## Who's In Charge?

### OFFICERS & DIRECTORS

President.....Jason Pfaltzgraff  
 President-Elect.....Ray Davis  
 Secretary.....Linda Ellis  
 Treasurer.....Becky Holcomb  
 Programs.....Maureen Jouett

#### March Birthdays:

3-9: Dan Carter  
 3-24: John Fisher

(If we missed you, please update your data sheet)

### Biblical Exchange

"Jabez called on the God of Israel, saying, *'Oh that Thou would bless me indeed, and enlarge my coast [territory], and that Thine hand might be with me, and that Thou would keep me from evil, that it may not grieve me!'* And God granted him that which he requested." 1 Chron 4:10

## Continuing Education

### Community Service

Community service is the lifeline of Exchange. Exchange Clubs

across the country spend countless hours and dollars improving their communities each year. The history of Exchange's community service projects is quite impressive. Ever since the first group of Exchangites convened in 1911 in Detroit, Mich., Exchange has been dedicated to serving its communities through various projects. The results of this first meeting resonate across the country through countless hours of community service volunteered by dedicated Exchangites. Throughout the years, Exchange Clubs have been responsible for community improvements of all types such as: the beautification of highways; sponsoring cultural programs, art shows, state and county fairs, and athletic events. These clubs have also provided millions of dollars for scholarships, gifts, equipment, sponsorships, educational endeavors and other causes. This is only a partial list of the programs offered by the National Exchange Club. National Headquarters has many printed materials to assist clubs in their efforts to better their communities through our Program of Service. Please call 800-XCHANGE or e-mail [info@nationalexchangeclub.org](mailto:info@nationalexchangeclub.org) for more information.
