Where are we?

Club Membership Director John Odom is pumped up about this year's club goal of 24 new members.

Regrettably we are down according to the National for the year by two members. Julie Reynolds and Janet Wyrick turned in their resignations the end of the school year, but their paperwork did not get to National in time to be taken off the end of the year membership roles for our club.

Fortunately, we have already welcomed new members: Robin Crouse (USO Director); Dr. Laura Matherly (Professor at Tarleton-Central Texas); Richard Jouett (Retired KFD Deputy Chief). These three members were brought into the club by President-Elect Maureen Jouett. We also welcomed Larry Holly (Computer Base Manager for a Fort Hood contractor). Larry was brought into the club by Youth Director Rev. (Dr.) D. Michael Jones. Mike invited Larry to attend our Rush Function in April. Larry liked what he saw and decided to give us a try. All of these new members have already had their third readings and have been voted in by the club members for full club membership.

In addition to our new members above, we also have two new people who have turned in their membership cards and had their first readings. They are Haeng Clark (Business Woman)

sponsored by Paul Lui and Brett Williams (Director of the Killeen Parks and Recreation) sponsored by President-Elect Maureen Jouett.

So, all in all, things are looking good for this year. We started the year with 31 and now have 32 with two in the works. Remember we all need to work together to have a good club.

46 YEARS AND STILL COMMITTED

Club member Don Sutton celebrated his 46th year with the club on September 1st. In special recognition of his years of service Don was treated to a blue/gold anniversary cake, a gift certificate to Outback Steakhouse, a 45 years pin adapter and an Exchange blue/gold mug. We also invited Don's wife Carol, his son Randy and his spouse Lauren to join us on this special occasion. Don is serving on the Golden Deeds Awards committee this year.

MEMBERSHIP COMMITTEE PLANS RUSH FUNCTION

The membership committee has met several times planning our upcoming Rush Function. The Rush Function will be held on October 29th at the Shilo Inn and Suites. We are planning to have a nice selection of finger food and each potential member will receive two tickets for beverages. We decided to have Imported Beer and Wine. Of course, iced tea and water will be available.

Members are encouraged to invite potential new members. Remember the purpose of the Rush Function is to bring in new members, so everyone needs to do their best. Together we can succeed.

We will also be working with the National initiative to "Come Home to Exchange" where we will be soliciting membership from those who were members the past five years.

Thank you for all you do for Exchange and for your communities.
